Dear Ms. Panoke:

This letter is in response to your request for additional information, dated November 7, 2007.

The contribution to the National Republican Congressional Committee in the amount of \$15000 has been voided. The Committee had planned to disclose this void on the Year-End Report, but has amended the Mid-Year Report instead.

Your letter indicates that the above referenced report shows limited administrative activity. All expenses are accurately and fully disclosed. The Committee has no connected organization, so no amendment to the Statement of Organization is necessary. All in-kind contributions made to the committee by any person or entity have been or will be fully disclosed when they occur. No administrative expenses beyond those reported have been incurred, and no amendment for this reason to the above referenced report is required. All future reports will continue to fully disclose all expenditures accurately.

Please note that the Committee has changed its address:
